

**YOUR ADDED VALUE!**

## ***The unique INTERNATIONAL UNDERGRADUATE STUDY IN ENTREPRENEURSHIP***

### **TEST OF ENTREPRENEURIAL SKILLS – an opportunity for students to test their knowledge and skills and to earn a scholarship**

GEA College of Entrepreneurship is the **leading private** (under public concession) **business school in Slovenia**, focusing predominantly on **Entrepreneurship**. It provides high-quality, practically oriented undergraduate, graduate and executive education. All programs are accredited through the Ministry of Education of the Republic of Slovenia and thus recognized worldwide under the EU directive. The studies are in line with the Bologna declaration (3 + 2).

*The **International Undergraduate Study in Entrepreneurship** is an unique opportunity for domestic and foreign students (including China, Russia, Serbia and Montenegro, Croatia, Bulgaria, Romania, Czech Republic...) to get an **EU and internationally recognised degree (BA in Economics)**.*

To this end the GEA College of Entrepreneurship and Junior Achievement would like to give the students of secondary schools an opportunity to test their entrepreneurial skills, with the possibility to earn a **scholarship** for the **International Undergraduate Study in Entrepreneurship** (please read more in the brochure attached). Here is our invitation for cooperation:

#### **1. Are you a teacher at a secondary school?**

We invite you to give an added value to your students and to deliver them the **Test in Entrepreneurial Skills**. This is a short test (cca 20 minutes) that examines some basic skills and knowledge on entrepreneurship. We will correct the tests and give the best students some practical awards. Furthermore the best students will have the opportunity to earn a scholarship at our International Undergraduate Study in Entrepreneurship.

For more information on GEA College of Entrepreneurship and the test please see the [www.gea-college.si](http://www.gea-college.si) and contact Ms Katja Trop ([katja.trop@gea-college.si](mailto:katja.trop@gea-college.si); 00386 1 5881 332).

#### **Are you a student of a secondary school?**

If you are interested in business studies and the study abroad is a challenge for you, we invite you to do the **Test in Entrepreneurial Skills**. This is a short test (cca 20 minutes) that examines your basic skills

and knowledge on entrepreneurship. You can receive some **practical awards** and if your results are excellent, you can earn a **scholarship** at the International Undergraduate Study in Entrepreneurship.

We do believe in entrepreneurial skills of every individual – just give yourself an opportunity!

For more information on GEA College of Entrepreneurship and on the test please see the [www.gea-college.si](http://www.gea-college.si) and contact Ms Katja Trop ([katja.trop@gea-college.si](mailto:katja.trop@gea-college.si); 00386 1 5881 332).
