

## VICEPREMIER MARTIN JAHN WILL INTRODUCE A NEW ECONOMIC STRATEGY OF OUR GOVERNMENT TO THE ENTREPRENEURS

On March 3, 2005 Junior Achievement will organize a meeting of entrepreneurs with deputy chairman for economy Martin Jahn. The event will take place in CERGE-EI building at Politických vězňů 7 in Prague 1 and will start at 1p.m. Mr. Jahn will present the economic strategy of our government till the end of the election term to the representatives of Czech and international companies. This way he'll also support a continued development of Junior Achievement educational economic programs for basic school and high school students.

„Our priority till the end of our election term is among others to continue working on the improvement of the entrepreneurial environment,“ Martin Jahn says. „One of the steps is for example the project of the homogeneous contact place which is to eliminate the useless administration for the entrepreneurs and

another step is also the reform of the bankruptcy law.

The yield of the event will be used for the further development of the practical economic Junior Achievement courses for the Czech basic schools and high schools.

## WIN THE SMART PHONE NOKIA 6677 PLUS A DAY „IN THE BACK“ OF THE VICEPREMIER FOR ECONOMY MARTIN JAHN.

We are looking for the young creative people who have their own opinion and an entrepreneurial spirit. We want to award high school students who are able to prove a resourcefulness and ability to think in a broad coherence, to get information from various sources, to evaluate it and make their own conclusions. They should be able to do all of that in the team because the team work is the basis of a successful business.

The teams of students involved in the competition will have to write a paper (extent 8 A4 pages) on the following topics. They can choose one of them:

**Why is the Czech Republic interesting for foreign investors?  
What's the entrepreneurial environment in your region?**

The study will evaluate how the certain businesses in your region function and what's their influence on the development of the region. The paper will also evaluate the entrepreneurial environment and conditions in the region.

The competition is organized in cooperation with Czechinvest and the deadline for registration is October 4, 2005. More info and application form can be found at [www.czechinvest.cz](http://www.czechinvest.cz) or [www.jacr.cz](http://www.jacr.cz).

## THE ACADEMY AND THE SEEING HSBC BANK.

On February 1, 2005 a General Director of HSBC Bank Mr.František Kopřiva met with the highschool students in the building of the bank already for the second time during this school year. After the lecture on the role of the banks in the economy the students were shown round the various departments of the bank by Mr.Pavel Švancar and Mr.Vjaceslav Šťovíček who were happy to answer all their questions.
